Xerces (Album Version)

Deftones

Universe surrounds
When you're ready
It waits
For us to
To leave this earth
Come on, they're calling your name
OutI don't know
I could stay or leave
Right away
Cause the comet can take us
All the way throughGoodbye
Say Heaven
Know no one
I'll be waving
Goodbye
Say Heaven
Know no one
I'll be wavingGoodbye
Reason to see
Everything looks the same
I don't know
If the change made was great
Cause the craving remains the sameGoodbye
Say Heaven
Know no one
I'll be waving
Goodbye
Say Heaven
Know no oneI'll be waving
Goodbye
