

Efy-Jay

Shannon Mcarthur

You walked in the door and took me by surprise oh
California in the early Fall couldn't
compare to those blue eyes
the air is cold tonight and I can feel your heart
beating by my side
and I been thinkin' about you lately ooh I wanna take you home
cuz hearin' your voice through the phone
is not enough, I'm not okay
ooh I wanna take you down
girl I wanna hear the sound
of your breath, the words you say
ooh I love you Efy-Jay what's Carolina like? oh East Coast it's around midnight but
here it's only ten till nine, one day I'm gonna make you mine
we'll get a house in Pasaden, baby girl you'll be my queen
we'll go chasing out those dreams
and even if it don't work out, the South has got my heart ooh I wanna take you home
cuz hearin' your voice through the phone
is not enough, I'm not okay
ooh I wanna take you down
girl I wanna hear the sound
of your breath, the words you say
ooh I love you Efy-Jay you hear a knock at the back door
you know it's me and I've been there
I left the window open, to get a breath of fresh air and
all I need is you and a brand new start ooh I wanna take you home
cuz hearin' your voice through the phone
is not enough, I'm not okay
ooh I wanna take you down
girl I wanna hear the sound
of your breath, the words you say
ooh I love you Efy-Jay
