

Mr. Charles' Blues

Ray Charles

Baby, we went last winter
And the ground was covered with snow
Yes, we went last winter, baby
And the ground was covered with snow
I didn't have no money in my pocket, darling
Shout aloud and have no place to go
Well, it seems like I was going crazy sometime
I didn't know what to do
Yes, it seems like I was going crazy sometime
Baby, I didn't know what to do
Yeah, I wake up in the morning
Shout and laid down with the blues
Well, I finally got a break, baby
Easy things are coming my way
Yeah, I finally got a break, baby
Easy things are coming my way
I've got money in my pocket, darling
Yes, I can change clothes everyday
