

# Looking Back to See (feat. Jim Ed Brown)

## The Browns

I was looking back to see if you were looking back to see  
If I was looking back to see if you were looking back at me  
You were cute as you could be standing looking back at me  
And it was plain to see that I'd enjoy your company One Sunday afternoon as I was ridin' down the street  
I met a cute little girl all dressed up so sweet  
And the way that she was stacked I wish I'd have had a Cadillac  
But who would notice me just drivin' this model TI was looking back to see if you were looking back to see  
If I was looking back to see if you were looking back at me  
You were cute as you could be standing looking back at me  
And it was plain to see that I'd enjoy your company Now listen baby it doesn't matter to me  
Even in your model T, you're as cute as you can be  
If you'll come sit by my side I will take for a ride  
And I will guarantee we'll have fun oh man alive I was looking back to see if you were looking back to see  
If I was looking back to see if you were looking back at me  
You were cute as you could be standing looking back at me  
And it was plain to see that I'd enjoy your company Oh me, oh gee  
Perhaps you'd notice me if I wouldn't drivin' this model TI was looking back to see if you were looking back to  
see  
If I was looking back to see if you were looking back at me  
You were cute as you could be standing looking back at me  
And it was plain to see that I'd enjoy your company
