

Feedback and Distortion

Snew

I cannot think, I cannot speak
When I get back on home from working a week
I plug it in, I count to ten
I push it up another notch from itFeedback and distortion
Feedback breaking up
Feedback and distortion
Don't you know that you are a star
Everybody play guitarWho makes the rules, who takes offense
Who drops a bomb on me and tells me confess
Don't make a sound unless you're wise
Don't be a fool for those who wear a disguiseFeedback and distortion
Feedback breaking up
Feedback and distortion
Don't you know that you are a star
Everybody play guitarPlug it in count to ten
Push it up another notch from it
Feedback, feedback, feedback, feedbackFeedback and distortion
Feedback breaking up
Feedback and distortion
Don't you know that you are a star
Everybody play guitar
