

Gudbuy T' Jane

Slade

Goodbye to Jane, goodbye to Jane
She's a dark horse see if she can
Goodbye to Jane, goodbye to Jane
Painted up like a fancy young man
She's a queen,
Can't you see what I mean, she's a queen,
See, see, she's a queen
And I know she's alright, alright, alright, alright I say you're so young, you're so young
I say you're so young, you're so young
I say you're so young, you're so young I said goodbye to Jane, goodbye to Jane
Get a kick from her forties tip boots
Goodbye to Jane, goodbye to Jane
Has them made to match up to her suits
She's a queen,
Can't you see what I mean, she's a queen,
See, see, she's a queen
And I know she's alright, alright, alright, alright I say you're so young, you're so young
I say you're so young, you're so young
I say you're so young, you're so young I said goodbye to Jane, goodbye to Jane
Like a dark horse see how she ran
Goodbye to Jane, goodbye to Jane
Spits on me 'cos she knows that she can
She's a queen,
Can't you see what I mean, she's a queen,
See, see, see, she's a queen
And I know she's alright, alright, alright, alright I say you're so young, you're so young
I say you're so young, you're so young
I say you're so young, you're so young
I say you're so young, she's alright, alright, alright, alright
I say she's so young, so young, alright, alright
I say you're so young ...
