

# Brand New Day

Albert Hammond

There's a brand new world around us  
Lots of good news on the way  
And for each and everyone of us  
It's a brand new day  
There's a brand new kinda meaning  
To the words that people say  
And for each and everyone of us  
It's a brand new day  
It's a brand new day  
It's a brand new day  
For each and everyone of us  
It's a brand new day  
When the sun sets in the evening  
There are people far away  
Who awaken to the morning  
Of a brand new day  
So say goodnight to all your friends  
And it isn't hard to say  
When you know that come tomorrow  
It's a brand new day  
It's a brand new day  
It's a brand new day  
You know that come tomorrow  
It's a brand new day  
And if you're feeling lonely  
Just look the other way  
'cause standing right behind you  
Is a brand new day  
And he's leaning on your shoulder  
And there's something he's tryna say  
He's whisperin' softly in your ear  
"It's a brand new day."  
It's a brand new day  
It's a brand new day  
For each and everyone of us  
It's a brand new day  
It's a brand new day  
Ma-ma, it's a brand new day  
For each and everyone of us  
It's a brand new day
