

Candle (M-Phazes Remix)

[Guy Sebastian](#)

I'm like ten thousand miles from you
And there's like ten thousand girls in view
They're tryna save them with me
Get their drink on for free
Tryna get to my hotel room Back it up, back it up, back it up
I ain't tryna do nothing, nah nah
Back it up, back it up, back it up
All I want is my woman 'Cause they don't hold a candle
To you, to you
You're my better handful
It's true, it's true
Ain't nobody taking your place
You're the only body I praise
They don't hold a candle
Yeah, they don't hold a candle to you She got that dress on to show her curves
And she came backstage to do some work
I knew when she said hello
She was ready to go
Ran her finger 'round my shirt Back it up, back it up, back it up
I ain't tryna do nothing, nah nah
Back it up, back it up, back it up
All I want is my woman
My woman 'Cause they don't hold a candle
To you, to you
You're my better handful
It's true, it's true
Ain't nobody taking your place
You're the only body I praise
They don't hold a candle
Yeah, they don't hold a candle to you To you
'Cause no one puts their hands on me like you
Yeah, nothing ever burns like your flame
That's why I ran and give you my name
'Cause they don't hold a candle
No one holds a candle to you Ain't nobody taking your place
You're the only body I praise
'Cause they don't hold a candle
Yeah, they don't hold a candle to you
