

# Walk (Cervical edit)

## Pantera

Can't you see I'm easily bothered by persistence  
One step from lashing out at you  
You want in to get under my skin  
And call yourself a friend  
I've got more friends like you  
What do I do? Is there no standard anymore?  
What it takes, who I am, where I've been  
Belong  
You can't be something you're not  
Be yourself, by yourself  
Stay away from me  
A lesson learned in life  
Known from the dawn of time Respect, walk Run your mouth when I'm not around  
It's easy to achieve  
You cry to weak friends that sympathize Can you hear the violins playing your song?  
Those same friends tell me your every word Is there no standard anymore?  
What it takes, who I am, where I've been  
Belong  
You can't be something you're not  
Be yourself, by yourself  
Stay away from me  
A lesson learned in life  
Known from the dawn of time Respect, walk Are you talking to me?  
No way punk  
Walk on home boy
