Party Mad

Reverend Horton Heat

oh baby if you leave, you better not look back
because if you do, you'll have a heart attack
I ain't crying no more, I'm tired of being sad
babe if you walk out, I'm gonna party madyea, yea, yea I'll be party mad
and for all the while you'll wish for what we hadI'll be one wild man, I'll drink and dance all fine
baby if you leave, I'll have me one white line
so if you start that car and drive it down the street
roll your window down your gonna feel that beatyea, yea, yea i'll be party mad
and for all the while you'll wish for what we hadwell baby if ou leave, better not come back
cause if you do, won't cut you any slack
I ain't crying no more, I'm tired of being sad
babe if you walk out, I'm gonna party madyea, yea, yea I'll be party mad
and all the while you'll wish for what we had
and all the while you'll wish for what we had
and all the while I'll be party mad
