Gangstarr has got to be da sure shot
Nice & Smooth has got to be da sure shotGreg Nice!!! Greg N-I-C-E
Droppin dem basso, ah oui oui
Rock for a fee, not for free
Maybe I'll do it for charity
Now my employer or my employee
Is makin Greg N-I-C-E very M-A-D
Don't ever ever think of jerkin me
I work to hard for my royalty
Put lead in ya ass and drink a cup of tea
Peace to Red Alert and Kid Capri
Ooohh la la ah oui oui, I say Muhammad Ali, ya say Cassius Clay
I say butter you say Parkay
It's alright if ya wanna make a sway
I'm a way up town, took duece to the tre
I originate, they duplicate
I praise the lord and keep the faith
It's alright keep bitin at da bait
'92, uh!., one year later
Peace out Premier take me out wit da faderI chant eenie meenie, minie moe
I wreck da mic like a pimp pimps hoes
Here's how it goes I am a genius I mean this
I shake this you'll take this
I'm kinda fiendish
You wish that you could come into my neighborhood
Meaning my mental state
Still I'm 5 foot 8
Crazy as I wanna be
Cause I make it orderly
You could say I'm sorta da boss so get lost
The brotha dat will make you change opinions
Dominions I'm in them when it's time to kick shit from
The heart, plus I get a piece of the action
I'm feelin satisfaction from the street crowd reaction
Chumps pull guns when they feel afraid, too late

When they dip in the kick they get sprayed
Lemonade was a popular drink and in still is
I get more props den stunts den Bruce Willis
A poet like Langston Hughes and can't lose when I cruise
Out on the expressway
Leavin the Bodega I say "suave"
Premier's got more beats den barns got hay
Clips are inserted into my gun
So I can take the money, neva have ta run
