My Chemical Romance

Long ago
Just like the hearse, you died to get in again
We are so far from you Burning on
Just like a match you strike to incinerate
The lives of everyone you know And what's the worst to take
(Worst you take)
From every heart you break
(Heart you break)
And like a blade you stain
(Blade you stain)
Well, I've been holding on tonight What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight Came a time
When every star fall
Brought you to tears again
We are the very hurt you sold And what's the worst you take
(Worst you take)
From every heart you break
(Heart you break)
And like the blade you stain
(Blade you stain)
Well, I've been holding on tonight What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight Well, if you carry on this way
Things are better if I stay
So long and goodnight
So long and goodnight Can you hear me?
Are you near me?
Can we pretend?
To leave and then
We'll meet again
When both our cars collide What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight Well, if you carry on this way
Things are better if I stay
So long and goodnight

So long and goodnight
