## Myself

## **Kara's Flowers**

I have told all of my enemies Very politely, to go home I have seen all of your remedies Now won't you let me please go homeI can't find anything to be sad about They say I'm doomed but I feel fineI have tried so very hard as hell To stay away from hell and live upstairs But when I see all of your remedies I try quite desperately to go homeI can't find anything to be sad about They say I'm doomed but I feel fineBut if I'm sitting here lonely With no-one to hold me At least I'll have my health I'm trying to control myselfI have told all of my enemies Very politely, to go home I have seen all of your remedies Now won't you let me please go homeI've been acting irresponsibly Oh, what could possibly go wrong I have choked on all your remedies Now won't you let me please go homeBut if I'm sitting here lonely With no-one to hold me At least I'll have my health
