

# Hey, I Won't Break Your Heart

Corinne Bailey Rae

Here in the twilight  
Of one endless summer  
You've got me waiting like  
A teenage girl My eyes wide with starlight  
But folded in my new dress, the memories  
Love is more hesitant  
A second time Hey, I won't break your heart, like you broke mine This time around I won't cling to those paper  
crowns  
I won't tear you down  
This time, I'll listen  
Like it's love's first secret So come bring love here with all its mistakes  
Speak to me softly, like lovers do  
Here are the fragments I saved for you Hey, I won't break your heart, like you broke mine Oh, it seems it's easy  
to love you  
You go to my head, Just like wine  
All the bitterness, it has left me  
So don't leave me standing here  
I won't be satisfied  
Unless you come here and stay by my side (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) Oh, it goes so fast  
And it goes so fast  
And it goes so fast (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) All that I know is that I love you  
All that I know is that I'm sure  
All that I know is that I need you  
I know (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) (Oh, oh, oh  
Oh, oh, oh  
I won't break your heart) I won't break  
I won't break your heart  
I won't break  
I won't break your heart
