

Jealousy

Best Coast

We try to get along all the time
But it's hard
I look at you, you look at me
What do you see? We share the same cares
The same ideas
Why don't you like me?
Why don't you like me?
What's with the jealousy?
What's with the jealousy? We've been taught to get along,
Respect one another
And after all this time
We still fight over the small things We share the same cares
The same ideas
Why don't you like me?
Why don't you like me?
What's with the jealousy?
What's with the jealousy? Girls will be girls and boys will be boys
It's just the way it is
I don't wanna hate you, I don't wanna judge you
So I'll try
So I'll try get to know you before I decide
It's just not fair
It's just not fair What's with the jealousy?
What's with the jealousy?
