

Bridge of Sighs

Opeth

The sun don't shine
The moon don't move the tides
To wash me cleanThe sun don't shine
The moon don't move the tides
To wash me cleanWhy so unforgiving and why so cold?
Been a long time crossing
The bridge of sighsCold wind blows
And the Gods look down in anger
On this poor childCold wind blows
The Gods look down in anger
On this poor childWhy so unforgiving and why so cold?
Been a long time crossing
Bridge of sighs
