

Changing Priorities

Scary Kids Scaring Kids

So what's your problem now?
You always have something to complain about.
So you placed the blame on me.
Just open up your eyes and then you'll see. What's going on?
My priorities have changed and it won't take too long.
Can't you see?
That right in front of you, stands the real me (real me). You read me like a book
I still have no idea how you
So you placed the blame on me
Just open up your eyes and then you'll see What's going on?
My priorities have changed and it won't take too long.
Now, can't you see?
That right in front of you, stands the real me (real me).
