

# No Weapon

Fred Hammond

No weapon formed against me shall prosper, it wont work  
No weapon formed against me shall prosper, it wont work  
Say, "No weapon formed against me shall prosper, it wont work"  
Say, "No weapon formed against me shall prosper, it wont work", yea God will do what He said He would do  
He will stand by His word and He will come through, yeah  
God will do what He said He would do  
He will stand by His word and He will come through No weapon formed against me shall prosper, it wont work  
No weapon formed against me shall prosper, it wont work God will do what He said He would do  
Hes not a man that He should lie, He will come through  
Said, God will do what He said He would do  
He will stand by His word and He will come through Oh I wont be afraid of the arrows by day  
From the hand of my enemy  
I can stand my ground with the Lord on my side  
For the snares they have set will not succeed, hey No weapon formed against me shall prosper, it wont work  
No weapon formed against me shall prosper, it wont work For I know God will do what He said He's gonna do  
He will stand by His word, He will come through, yeah  
God will do what He said He's gonna do  
He will stand by His word, by His word, no, no way No weapon formed against me shall prosper, it wont work  
No weapon formed against me shall prosper, it wont work Dont be afraid of the arrows or the snares  
Set by your enemies if you believe it say, you  
There just ain't one, there just ain't one  
Although they've set a snare to trap you  
I want you to know it won't work oh no, no, no  
Oh it won't work, yeah
