

# Tokyo

## TEEN

He was looking for a new life  
Ha ha ha ha  
In Tokyo  
A replacement for his drop wife  
Yeah yeah yeah  
She's in TokyoHe wished to move ever quickly  
Before his good will got in the way  
He promised life before the sickly  
Before his sinning feel got in the wayNow he's running off  
Running off, running off  
All the weight behind him  
Dreaming, dreaming of a bare coffin  
Yeah he needed to know  
Gravestone reading his life took off without him  
Where would this fantasy goSo he's running off  
Running off, running off  
All the weight behind him  
Yeah he's running off  
Running off, running offFooling the Madonna  
Chasing after youthful skin  
Whatching your own age drip  
Softening your trying limbs  
Never did you give it  
Permission to drop off  
Fooling the Madonna  
No fool will stay on top  
On top, on top, on top  
"Let's face the fact baby  
No one wants to cheat or steal  
I do not to love you now  
And I won't tommorow and I never will"So he's running off  
Running off, running off  
All the weight behind him  
Yeah he's running off  
Running off, running offFooling the Madonna  
Chasing after youthful skin  
Whatching your own age drip  
Softening your trying limbs  
Never did you give it

Permission to drop off  
Fooling the Madonna  
No fool will stay on topFooling the Madonna  
Chasing after youthful skin  
Whatching your own age drip  
Softening your trying limbs  
Never did you give it  
Permission to drop off  
Fooling the Madonna  
No fool will stay on top  
On top, on top, on top
