

# Past the Mission

Tori Amos

I don't believe I went too far  
I said, I was willing, willing, willing  
She said she knew what my books did not  
I thought she knew what's up  
Past the mission  
Behind the prison tower  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses  
She said, they all think they know him well  
She knew him better, better, better  
Everyone wanted something from him  
Oh, I did too but I shut my mouth and he just gave me a smile  
Past the mission  
Behind the prison tower  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
And past the mission  
I smell the roses  
Past the mission  
I smell the roses  
Hey, they found a body  
Not sure it was his, still they're using his name  
And she gave him shelter and somewhere I know she knows  
And somewhere I know she knows  
Somethings only she knows  
Past the mission  
Behind the prison tower  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses  
Past the mission  
Behind the prison tower  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses  
Past the mission  
I smell the roses  
Past the mission  
I smell the roses
