

Digging This Feeling (Radio Edit)

[Dj Rich Art](#)

I'm not afraid of baby driving alone
To find you no matter where
And baby I got a mission
Don't matter how long
I'll find you and take you home
How I'm gonna live?
If i can't be?
How I'm gonna feel?
If you won't let me?
Stop playing games
And let's get this show on the road
Cause I'm diggin' this feeling
And I'm almost there
And tonight I'm gonna give it away
Baby you got me feelin'
That it could be real
And that's all I'm gonna say
I'm diggin' this feelin'
Yeah I'm digging this feeling
I'm digging this feeling
Yeah
I'm digging this feeling
I'm not a fan of being kept on the shelf
So take me, right there
(Right there)
And if you want(want)
Nothing, that's what I'm about
So show me that you care
How I'm gonna live?
If I can't be?
How I'm gonna stay?
If you won't let me?
Stop playing games
And let me love you right
C'mon
Cuz I'm diggin' this feeling
And I'm almost there
And tonight I wanna give it away
Baby you got me feelin'

That it could be real
And that's all I'm gonna say
I'm diggin' this feelin'
Yeah I'm diggin' this feelin'
Oh oh I'm diggin' this feelin'
Yeah I'm diggin' this feelin'
Am i diggin' you?
Are you diggin' me?
Tell me can we be
Forever?
And baby
Am i diggin' you?
Are you diggin' me?
Tell me can we be
Forever?
Am i diggin' you?
Are you diggin' me?
Tell me can we freak
Forever?
And baby
Am i diggin' you?
Are you diggin' me?
Tell me can we freak?
Cuz I'm diggin' this feelin'
And I'm almost there
And tonight I wanna give it away
Baby you got me feelin'
That it could be real
That's all I'm gonna say
Cuz I'm diggin' this feeling
And I'm almost there
And tonight I wanna give it away
Baby you got me feelin'
That it could be real
And that's all I'm gonna say
I'm diggin' this feelin'
Yeah I'm diggin' this feelin'
I'm diggin' this feelin'
Yeah I'm diggin' this feelin'
