We had to move, move with the lights oh
And whaddaya know, whaddaya know, whaddaya know
Army's covering base men to show all pitiable
Damage for the rest of the worldCross the globe there were guns in the street fair
On the west we can cover it big sign
And whaddaya know, whaddaya know, whaddaya know
Army's base men everything show all pitiable

You try to do the right thing, do the right thing babyYou try to do the right thing, do the right thing baby
