

Where Is My Mind

Sunday Girl

oooooooooooooh oooooooooooooh With your feet in the air, your head on the ground

Try this trick and spinning, yeah

Your head will collapse, if there's nothing in it

And you ask yourself,

Where is my mind?

Where is my mind?

Where is my mind? I always swam in the Caribbean

Animals hiding behind the rocks, yeah

Except the little fish, but they told me this, trying to talk to me

Coy coy

Where is my mind?

Where is my mind?

Where is my mind? Waaaaay out, in the water, see it swimming, With your feet in the air, your head on the ground

Try this trick and spinning, yeah

Your head will collapse, if there's nothing in it

And you ask yourself,

Where is my mind?

Where is my mind?

Where is my mind? Waaaaay out, in the water, see it swimming ooooooooooooooh ooooooooooooooh ooooooooooooooh
oooooooooooooh
