

# Spirits Of The Future Sun

## Soilwork

Total oblivion of my inner past  
Will I ever be the same again?  
Landscapes of treasures before my eyes  
Now it's over, forget the pastSpirits of the future sun  
Spirits of the future sunLegal lies and desperate cries  
I cannot see, I'm on my own  
Self destructive and the anguish of youth  
Future's rising in your mindSpirits of the future sun  
Spirits of the future sunYour spirits wait for me in vain  
I won't fallSun burns red on the innocent child  
Twisted rules by uncommon souls  
Computerized, pathetic lies  
The lights are out, here comes the warSpirits of the future sun  
Spirits of the future sunYour spirits wait for me in vain  
Well, I won't fall  
Your spirits wait for me in vain  
Well, I won't fallTotal oblivion of my inner past  
Will I ever be the same again?  
Landscapes of treasures before my eyes  
Now it's over, forget the pastSpirits of the future sun  
Spirits of the future sun
