

Alpha Signal Three

Reuben

Yeah, go, Well..., Sometimes I get this,
Lump in my throat,
When I remember,
These things I wrote, The strangest feeling,
I've ever had,
Starts off as angry,
Ends up as sad, Yeah, When I'm awake and when I dream,
And all the places in between,
Where I go and where I've been,
I will take this ghost with me,
Well, I guess I loved her, You, Go, So much for feeling,
Like broken bones,
I wish I'd left it all alone, So much for healing,
Eventually,
I'm just as damaged as I'll ever be, Well..., Yeah, Now, When I'm awake and when I dream,
And all the places in between,
Where I go and where I've been,
I will take this ghost with me, Well I guess I loved her,
No, She took my... she took my shoes off... when I fell asleep,
She combed my hair and brushed my... teeth, I guess I loved her, (I must have loved her)
I guess I loved her, (I must have loved her)
I guess I loved her, (I must have loved her)
I guess I loved her, (I must have loved her) I guess I loved her,
But I still made her cry,
