Dust

The Scheme

V1 -Lately, I've been,
Under-thinking,
Everything, there's a change it seems,Crazy, how you,
Got me, living recklessly,
Loving recklessly,When you touch me,
It brings me to my knees,
Can't escape it, I'm already in too deep.Chorus -We could be diamonds,
We could be dust,
This could be heartbreak,
Or this could be love
We could be diamonds, we could be dust
This could be dust or this could be love,
Oh yeahWe could be diamonds,
We could be dust,
This could be heartbreak,
Or this could be love,
We could be diamonds, we could be dust,
This could be dust or this could be love,
Oh yeahV2 -Call it, careless,
But there's, nothing,
Stopping me, Its what you do to me,When you touch me,
It brings me to my knees,
Can't escape it, I'm in too deep.Chorus -We could be diamonds,
We could be dust,
This could be heartbreak,
Or this could be love, (Love)
We could be diamonds, we could be dust,
This could be dust or this could be love,
Oh yeahWe could be diamonds,
We could be dust,
This could be heartbreak,
Or this could be love,
We could be diamonds, we could be dust,
This could be dust or this could be love,
Oh yeahWe could be diamonds, We could be dust,
We could be dust, dust, dust ,dust.Breakdown -When you touch me, It brings me to my knees,
