

Fux with the Tux

Tuxedo

Fux with the Tux
You got to Fux with the Tux
Are you ready?
Fux with the Tux
You got to Fux with the Tux
Are you ready? We're on our way
And we won't stop til we reach the top
Town to LA
It's the hardest thing that ever dropped
Ooh wee
We got ourselves another one
No complaining just champagning
Because the only time you wear a Tuxedo
Is when it's time to party
You don't need to flex
It's just the T-U-X
Ho!
Fux with the Tuxedo
Let's have some fun
That gangster boogie funk
It's number one
