The Way I Feel

Tyler Dodds & Bailey Dodds

The prince of peace is calling me
He says â€œCome child, comeâ€•
Iâ€™m told this burden is not heavy
That Iâ€™m never alone

But thatâ€™s not the way I feel
I feel alone
Thatâ€™s not the way I feel
Iâ€™ll do this on my own

Lift these eyes to gaze upon
This burden that is light
For mine sure is heavy
And Iâ€™m tired of the fight

Thatâ€™s just the way I feel
I canâ€™t do this on my own
Itâ€™s just the way I feel
Can I feel you close

Well trusted peace wash over me
Grace me with the thrill
Well my heart is just not steady
And I feel it never will

So peace come
Peace come
And please stay
Oh stay

Please stay

And even if you donâ€™t
Grace me with the feeling
And you are close
My faith will keep me breathing
For itâ€™s an anchor tethered to you
It knows you are able
Even when I feel like I do
