Change The Record

Melanie Fiona

I Hear You DJ
I Hear You DJ
Cause This One Has Got Scratches
Went To Get Drinks And I Am Asking Him
How Did You Get This Way!?
Whose Lipstick Is On Your Face?
It?s Been 15 Minutes And 2 Hours
You Think You Can Make It Up Wit' Some Damn Flowers!
Thinkin' 'bout The Things You Do
And Im Waitin' Over Here And You Aint Got No school
Cause You Don?t Care Right Here
And You Dont Care Whose There.
And You Dont Care Well Here's The Song I Hear.
Chorus
If You Can Do Better Then Do Better
If You Don?t Like How He's Playing Then Change The Record.
If You Can Do Better Then Do Better
Cuz I Don?t Know The Kind Of Games You're Playing
But It's Time To Change The Record, Record ,Record
I Hear You DJ I Hear You DJ
I Hear You DJ I Hear You DJ
Cause This One Has Got Played Out
Skips Everything You Wanna Hear About, bout the perfect, a little played out
Tired Of The Lies You Wanna Rap About, yeah yeah
And You Don?t Care Right Here
And You Don?t Care Who's There.
And You Dont Care, Well Here's The Song I Hear.
Chorus
If You Can Do Better Then Do Better
If You Don?t Like How He's Playing Then Change The Record
If You Can Do Better Then Do Better
Cuz I Don?t Know what Kind Of Games You're Playing
But Is Time To Change The Record ,Record, Record

Well This is What the Business Is

I Was With a Model Type
'Body Like A Gymnast Hot Sex Each Night
It Was Just Ridiculous

It Was A Match Made In Heaven But
We Had to Split Because We couldnt FixThe Differences
And The Difference Is She Was Manipulative
And I Wanted To Do Just Whatever I Did
But Apparently You Had A Better Idea And You Left
I Guess This Is How It Is
Hollywood Divorce After Hollywood Romance
Now When We Together, No We Don?t Even Hold Hands
And We Dont Even Two Step And We Dont Even Slow Dance
We Was A Duet We Was Our Own Band
But Now I Am Solo Its No Show And No Fans
Thats How It Go Though You Strike Out Like Molan
But Strike Out Like Baseball You Go Down The Cold Man
And Now You Frozen And Oh No Its No Chance
She Put Them Hooves On Your Head Like A Colts Fan
Now They Comment On Your Life Like A Spokesman
I Need A Mediator ,You Need A Mediator
You Need A Mirror And Then Maybe You Can See it Hater
The Faster I Let it Go The Faster You Will Hear Me Happy On The Radio
Stronger And Let It Flow The Deeper I won't Fall Into This Hole
Cause You Don?t Care Right Here And You Don?t Care Who's There
Now I Don't Care
Cause Here's The Song I Hear
Chorus
If You Can Do Better Then Do Better
If You Don?t Like How He's Playing Then Change The Record
You Can Do Better Then Do Better
Cause I Don?t Know what Kind Of Games You're Playing
But Is Time To Change The Record, Record, Record
I Hear You DJ I Hear You DJ
I Hear You DJ I Hear You DJ
I Hear You DJ I Hear You DJ
