"K234ys0nixz" Diamonds in my blunt thats how I be blowin money
Oops I didn't read yo tweet coz I was getting money
Its funny where I pour up in the same club that you
Hoe up
N when I look into ur eyes I see you lookin tore up U ain't gonna find a bitch that goes as hard as me
She said she drink like a fish but she drowndin in tha sea
I'm so done with the games man
They loosin what I'm gainin
Can be real if you faking the games that we playin Ye we on game is ova
Dat flow ain't got no pace so put on now I got it
Dem white girls keep on mobbin
Ye we do ur chances over but not 2 be ma lover
All em haterz ask me what I'm doin I just simply
Tell em kraysonix I'm on it, on it, on it kraysonix

Dat flow ain't got no pace so put on now I got it
Dem white girls keep on mobbin
Ye we do ur chances over but not 2 be ma lover
All em haterz ask me what I'm doin I just simply
Tell em kraysonix I'm on it, on it, on it kraysonix
