

# Heartbeat (feat. Nicole Scherzinger)

Pharrell Williams

In the middle of the night  
Touching under the light  
Wearing somethin tight,  
Thats what hot girls do  
Seems like she don't try  
For her its just usualShe Poppin it  
Dropping it,  
Ain't stopping it  
Have you watching itShe Poppin it  
Dropping it,  
Ain't stopping it  
Have you watching itShe says she feels it in her heartbeat  
Makes me feel only you  
But to her it feels new  
She says she feels it in her heartbeat  
She ain't you, She ain't me  
When she dance she feels free  
Which makes her feel like the only one (the only one)  
But the light shines on (hey)I told her bout a light  
Say she ain't living life
