

Tower of Lust

Project Pitchfork

The night I am feeling drowsy,
purity of the thoughts,
tender skin on white pillows,
you pull me back to our dreamlands,
an island of love,
in and out.

I see you - I feel you,
movements of ecstasy,
we fuse together,
close embraced,
praying for eternity.
Eyes like stars,
I feel your warmth,
do you feel mine,
your odour - like a drug for me,
you soak me up,
our minds are free,
wine on the blanket,
is this reality,
in and out.

I see you - I love you,
movements of ecstasy,
we fuse together,
close embraced,
praying for eternity.
