Afraid of Sunlight

Steve Rothery Band

Drive the road to your surrender
Time comes around out of my hands
Small boats on the beach at the dead of night
Come and go before first light

Leave me running in the wheel
King of the world
How do you feel?
What is there to feel?

How do we now come to be
Afraid of sunlight?
Tell me girl, why you and me
Are scared of sunlight?
How do we now come to be
Afraid of sunlight?
Tell me girl, why you and me
Are scared of sunlight?

Been in pain for so long
I can't even say what hurts anymore
I will leave you alone
I will deny
I will leave you to bleed
I will leave you with your life

So how do we now come to be
Afraid of sunlight?
Tell me girl, why you and me
Are scared of sunlight?

All your spirit rack abuses
Come to haunt you back by day
All your Byzantine excuses
Given time, given you away
Don't be surprised when daylight comes
To find that memory pricks your thumbs
You'll tell them where we run to hide
I'm already dead

It's a matter of time

So how do we now come to be
Afraid of sunlight
Tell me girl, why you and me
Are scared of sunlight?
How do we now come to be
Afraid of sunlight
Tell me girl, why you and me
Are scared of sunlight?
How do we now come to be
Afraid

Day-Glo Jesus on the dash
Chalk marks on the road ahead
Friendly fire in hostile waters
Keep the faith, don't lose your head
So how do we now come to be?
