Because I Miss You

Alexia

Im hanging on to you to letting go my pain
Im begging you to stay cause Im hungry of your love
Waiting for so long with my head between my hands
I felt as touched the ground every time you treat me badBecause I miss you, I miss you, baby
Because I miss you every time you say goodbye
Because I miss you, I miss you, baby
Because I miss you every time you say goodbyeI wonder to myself, if I were free to leave
'Cause you did that to me a thousand times and back again
I was always there for you and ready to forgive
But your heart is made of steel, keep on turning me aroundBecause I miss you, I miss you, baby
Because I miss you every time you say goodbye
Because I miss you, I miss you, baby
Because I miss you every time you say goodbyeCause you're my lovely and I live for you
The way you smile, the way you are, I wanna hold you by my side
The way you touch me, the way you groove me
The way you smile, the way you are, I wanna hold you by my sideOh, oh, I'm hanging on, oh yeah
I keep on hanging on to you, babyBecause I miss you, I miss you, baby
Because I miss you every time you say goodbye
Because I miss you, I miss you, baby
Because I miss you every time you say goodbyeCause youre my lovely and I live for you
The way you smile, the way you are, I wanna hold you by my side
The way you touch me, the way you groove me
The way you smile, the way you are, I wanna hold you by my side
Because I miss you
