

# Bitch Gets No Love

## Dr. Doom

Yo J, you bought this bitch's food  
Yo, these bitches ain't payin' for shit  
They up here eatin' and gettin' ready to plan  
To go to somebody else's house after this  
They usin' us man, fuck this Look hear bitch Bitch you got a fat stomach  
Your braids look tacky and you're fuckin' broke  
Like Rakim said, "I ain't no joke" You're posin' as a high-class stinky-ass hoodrat  
Fuck behind any man's back, bum bitch at the Shark Bar  
Lookin' like an aardvark with a fucked up parked car Got the nerve to have a diamond  
I'm embarrassed you keep rhymin'  
Fuck you Simple Simon, materialistic and twisted  
Fake mink, buy your own fuckin' drink Big shots sport you but you got a fuckin' weave  
And I can even grab a white girl  
And a black woman body in my world  
Beverly Hills flashy shit, you on some classy girl shit  
Drivin' a drug dealer's BMW  
Your license ain't even fuckin' legit Just stop and quit it, you need to admit it  
You're broke and strippin'  
Livin' in the Motel 8, you're fuckin' jailbait  
Tattoos with names on your arms  
Bighead babies with diapers, frontin' fucks Gettin' in a basketball player's Mercedes  
Fucked up faces tryin' to hang in romantic places  
Get the fuck out of here  
Your friends too they gon' need some ends too Look for somethin', what?  
With funky-ass G strings all up in your butt  
Way to feed this elephant, this bitch is always hungry  
Ghetto superstar tryin' to be intelligent Look hear bitch Bitch gets no love, bitch gets no love  
Look hear bitch  
Bitch gets no love, bitch gets no love  
Look hear bitch Bitch gets no love, bitch gets no love  
Look hear bitch  
Bitch gets no love, bitch gets no love  
And I said, "Look hear bitch" Peep game at the frame stand  
You ugly bitches front on my man  
Not my type, the assholes  
That always wear them black pants  
Thinkin' they hype, con women, parasites Lick a nigga ass in valet parkin'  
Just to get a Puff Daddy ticket  
Them corny bitches livin' wicked

Guest-list bitch, wearin' Tommy Girl cologne over piss  
Wantin' motherfuckers to call her Miss  
In the club, you try to look like  
Deborah Cox with a fucked up house  
I bet you got roaches and mouse  
Look at sperm around your fuckin' mouth  
You can't even cook a meal right  
Like a good woman down South  
Runnin' your mouth with a million dollar pussy stinkin'  
There's Massengil on the table while you rollin' a blunt  
Watchin' En Vogue on the cable, gettin' your hair sewed in  
'Cause your facial expression, lookin' like a fuckin' rodent  
Loosen up bitch, stiff like the Tin Man  
Don't even lingerie, always talkin' about your dead man  
Used to be a gangster, I don't wanna hear that shit I'm eatin'  
I got some fine Puerto Rican girls I'm meeting  
Y'all stay with these wack-ass has-beens  
I'm leavin' with the quickness  
Y'all plastic monkeys at the Greek picnics  
Bitch gets no love, bitch gets no love  
Look hear bitch  
Bitch gets no love, bitch gets no love  
Look hear bitch  
Bitch gets no love, bitch gets no love  
Look hear bitch  
Bitch gets no love, bitch gets no love  
I said, "Look hear bitch"  
Bitch gets no love
