

# Tell Me (Soul Central remix)

Melanie B

What made you think I would be fooled

I now see through you

And you 're the fool

Tell me

How do you feel when you see me

And I disregard you

There's someone new

And they're true I can't believe I was so blind I didn't see

That you couldn't be the type of man to meet my needs

Strangest thing is everyone tried to tell me

But I did what they told me not to

You nearly had my everything, by running game on me

You told me all I had to hear I thought love was finally here

But then one day the truth I'd see your game was incomplete

'cause when I realized the truth

I see your plan, you're not my man so get from under my roof - I don't want you  
What made you think I would be fooled

I now see through you - yes I do

And you 're the fool

Tell me

How do you feel when you see me

And I disregard you

There's someone new

And they're true It was the saddest thing I thought there was no help for me

'cause you made me think I wasn't worth anything

Now I see you didn't have no self esteem

And all you loved was Mel be's money

You nearly had my everything by running game on me

You told me all I had to hear I thought love was finally here

But then one day the truth I'd see your game was incomplete

'cause when I realized the truth

I see your plan, you're not my man so get from under my roof  
What made you think I would be fooled

I now see through you - I can see through you

And you 're the fool - you're the fool, baby, you're the fool

Tell me

How do you feel when you see me

And I disregard you - and I turn my head around

There's someone new - and they're so true

What made you, made you, think I would be fooled - think I would be fooled

I now see through you, I can, and you're the fool, you are, you are  
How do you feel when you see me  
And I disregard you and there's someone new, and they're true You nearly had my everything, by running game  
on me  
You lied to me, why did you lie to me  
But then one day the truth it seems your game was incomplete  
I found out the truth  
I see your plan, you're not my man so get from under my roof - I don't want you What made you think I would  
be fooled  
I now see through you - I'm glad I saw through you  
And you 're the fool  
Tell me, Tell me  
How do you feel when you see me  
And I disregard you  
There's someone new - and they're so true  
What made you think I would be fooled  
I now see through you  
And you 're the fool  
Tell me  
How do you feel when you see me  
And I disregard you  
There's someone new and they're true
