Wanna Get With U

Guy

I wanna get with you
'Cause you got a lot
You're sure enough kicking
You're looking hot
I wanna get with youIf you got the time
Baby, we can swing it
But you gotta make up your mind
Gotta get with youWanna make you sweat
I can't wait just to make you wet
And if I get with you
Can't forget the crewSo you can get your girlfriends
And I wanna get you
I'm gonna get youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youYo, I wanna get with you
Tell me is that much to ask for
Nothing more than a spare minute
I got time if you wanna get with itWhatever you want I'll get it
I got cash now help me spend it
Don't worry if your broke I'll fix it
Like a flat then blow you up wickedGot the ingredients you need me to mix it
So baby let me go to work
I'll show you how I go to work
Have the whole thing sewed up like a shirtGive me a chance to just show you
Spend some time I need time to know you
After that were in like the New Jack Swing
Until it's through, I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youYo Aaron, take 'em to the bridgeYou got what I want
Your so fine, I cannot front
On my knees begging you, please
I'll do anything in the world to get with youI wanna freak you freak you, girl
If you think you can rock my world
Bring all the girls to the men with clout

Then we'll see who can bust who outIf I had the chance to get with you
There's nothing in the world that I can't do
Say we get together tomorrow at 2
I wanna get with you, hmmI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youI wanna get with you
I wanna get with you
I wanna get with you
I wanna get with you
