

Kings & Queens

Jared Porter

Well I aint got a castle on a hill
Aint got no rap around moat
No golden pay phone
Every feast comes straight off the grill
Comes with a Zebco fishing pole
Down at the fishing hole
The only cherry that you'll see
Is in a field painted John Deere green
No concrete just bare feet. Yeah if you ask me
We're living like kings & queens
This kind of life is hard to beat
We've got all we need
No we aint worried about a dam thing
Right here right now
Oh we'vw got no rules but we rule this town
Yeah if you ask me
We're living like kings & queens. Won't find a country club here
The only club out in the country is a hunting club
But it's always hot enough for cold beer
Even when it's snowing keep the good times going
You know where to find us when the sun goes down
Howling at the moon with the radio load
All night underneath the tall pines Yeah if you ask me
We're living like kings & queens
This kind of life is hard to beat
We've got all we need
No we aint worried about a dam thing
Right here right now
Oh we'vw got no rules but we rule this town
Yeah if you ask me
We're living like kings & queens. Living like kings & queens
Oh we're living like kings & queens
And even if we won the lottery
Yeah it wouldn't change a dam thing
Cause we're living like kings & queens
This kind of life is hard to beat
We've got all we need
No we aint worried about a dam thing
Right here right now

Oh we've got no rules but we rule this town
Yeah if you ask me
We're living like kings & queens.Yeah if you ask me
We're living like kings & queens
Oh Yeah
We're living like kings & queens.
