

# Driving in My Car

## Madness

I've been driving in my car  
It's not quite a Jaguar  
I bought it in Primrose Hill  
From a bloke from Brazil  
It was made in fifty-nine  
In a factory by the TyneIt says Morris on the door  
The G.P.O. owned it before  
I drive in it for my job  
The governor calls me a slob  
But I don't really care  
Give me some gas and the open airIt's a bit old but it's mine  
I mend it in my spare time  
Just last week I changed the oil  
The rocker valves and the coil  
Just last week I changed the oilLast week it went 'round the clock  
I also had a little knock  
I dented somebody's fender  
He learnt not to park on a benderI've been driving in my car  
It don't look much but I've been far  
I drive up to Muswell Hill  
I've even been to Selsey Bill  
I drove along the A45  
I had her up to 58This copper stopped me the other day  
You're mistaken what could I say  
The tires were a little worn  
They were O.K., I could have sworn  
I like driving in my car  
I'm satisfied I've got this farI like driving in my car  
It don't look much but I've been far  
I like driving in my car  
Even with a flat tireI like driving in my car  
It's not quite a Jaguar  
I like driving in my car  
I'm satisfied I've got this far
