

# Just Like Diamonds

Sandra

(Kemmler/Cretu/Lohr - Hirschburger/Kemmler)

fade away  
my time in slow motion  
any day  
when i hear you call  
i tremble deep inside  
means love  
tonight  
Jesus handed down his love  
an' cried  
precious diamonds  
you said you'd love me  
i saw your eyes  
shine like diamonds  
an' my tears are nothing more  
than a dream  
just like diamonds  
heard a song  
my face on your shoulder  
for so long  
i could hear this song  
it lingers in my heart  
means love  
tonight  
Jesus handed down his love  
an' cried  
precious diamonds  
you said you'd love me  
i saw your eyes  
shine like diamonds  
an' my tears are nothing more  
than a dream  
just like diamonds  
your eyes  
keep shinin'  
just like diamonds
