

Keep On Keeping On (feat. Brendon Urie)

Travie McCoy

[Chorus - Brendon]

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh

[Verse 1 - Travie]

He spent most of his youth
With his head down
Chubby, fugly, awkward walk
And not much of a talker
He was good at setting bad examples
But bad at math, crunch time
He kept it moving like the lunch line
Working on his salad bars
And fruit punch lines
His simple triplets had his
English teachers tongue tied
As he starts pirouette for perfection

And Darren Aronofsky black swan refection[Pre-Chorus]

He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more, he wasn't sure
He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more

[Chorus - Brendon]

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong

Oh Oh[Verse 2 - Travie]
Raised in a broken home built brick
By government cheese brick
Back and forth between parents
Making us sea sick
On his knees every night
Praying for a little change
But the tooth fairy was broke
And offered little hope
He used to stand in front of mirrors
With his toothbrush star searching
But he ain't have to search far
He was smart and made a pact with himself
With a smirk and made a vow that one day
His dad would never ever have to worry[Pre-Chorus]
He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more, he wasn't sure
He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more[Chorus - Brendon]
You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh
You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh[Verse 3 - Travie]
Fast forward a few 24 hours
Little boy turned man
Makes good on his promise
Just to say we didn't take the trips
To the bahamas
Now you're boy bank account
Got a few more commas...
The hard work payed off, don't it?
Plus it feel good when you can say you own it
No rent, lease, loan or a mortgage
That generator money, no shortage[Pre-Chorus]
He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more, he wasn't sure

He plucked feathers from his back
And watched his bottom limbs, bend forward
Toward something more[Chorus - Brendon]

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong

Oh Oh[Instrumental][Chorus - Brendon]

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh

You gotta keep on keeping on
Even with the feeling
That you're gonna keep losing
You gotta come back strong
Oh Oh
