

The 1 (Feat. Missy Elliot)

Janet Jackson

[Missy Elliot]

Tell me how long is it boo?
Seven inches, yup that'll do! (C'mon)
Want another lover not another lover (lover)
Cause you the type of brother I get freaky undercover (yeah)
Let me be the one for ya playa
Let's see what's behind them Gucci underwear's
What I gotta do baby what I gotta say? (Say)
To the bedroom okay, kay, kay! (Okay!)[Janet]
Tell me what I gotta say?
Tell me what I gotta do?
Cause I'm about to make a move
Cause baby I just want to be the one...
Tell me how you want it babe
Maybe we could spend the day there
Let me know what's the place
Baby I just want to be the one...I don't need another
I could spend my life
Being your lover
Think about it take some time
Put your eyes together
We can make this thing right
Cause I don't want no other
I just wanna be the one[Chorus x2]
Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh
Baby I just wanna be the one for youLet me know what you're missing boy
So I can be the one there for you
Talkin' bout being all you want
Baby I just wanna be the oneAfter you meet me stipulations
We'll have a mystic investigation
Put the list down no replacing ya
Cause baby I just wanna be the oneI don't need another
I could spend my life
Being your lover

Think about it take some time
Put your eyes together
We can make this thing right
Cause I don't want no other
I just wanna be the one[Chorus x2][Missy Elliot]
Baby I'll do any little thing for you
Tell your ex-girlfriend I say bye boo boo (C`mon)
Chicks can't see me I am way too smooth
But I'm like a loose goose we can shoot dooby doo
Letcha hit the poo poo do what it do
Them looky got them boys goin' goin' cuckoo
I'm sick like the flu too
What I thought you knew
And we could have a threesome bring a cute friend too!
Houston Ingula one fella met her
Look in the mirror check it and your no betta
Now who could love you better when we`re together
I'll be your Cinderella
You be my fella
What I gotta say to make you say okay
I shake my booty
I shake my booty[Janet]
I don't need another
I could spend my life
Being your lover
Think about it take some time
Put your eyes together
We can make this thing right
Cause I don't want no other
I just wanna be the one[Chorus x4]
