

Last Kiss

Guillemots

[Chorus]

Oh where oh where can my baby be
The Lord took her away from me
She's gone to heaven so I got to be good
So I can see my baby when I leave this world
We were out on a date in my daddy's car
We hadn't driven very far
There in the road straight up ahead
A car was stalled the engine was dead
I couldn't stop so I swerved to the right
I'll never forget the sound that night
The screaming tires the busting glass
The painful scream that I heard last
[Chorus] When I woke up the rain was pouring down
There were people standing all around
Something warm flowing through my eyes
But somehow I found my baby that night
I lifted her head she looked at me and said
Hold me darling just a little while
I held her close I kissed her our last kiss
I found the love that I knew i have missed
Well now she's gone even though I hold her tight
I lost my love my life that night
[Chorus] Woah, woah, woah, woah
Ohh, ohh, ohh, ohh
