I Don't Wanna Know

Mario Winans/Puff Daddy/Enya

It's over
Oh yes it's all over
And it's been a long time coming
Some say it's too longShe said it
And now she'll regret it
But if she'd ask anyone
I know they'll tell her to her face, that it's too late'Cause I don't wanna know
No, I don't wanna know
She can cry all she wants
She's not gonna bring me back, no noI don't wanna know
No I don't wanna know
She can try all she wants
It's not gonna get me back, oh oh, no noThey warned me
Oh yes they all warned me
They told me, don't lose your heart to her
She'll never give it back, no noOh it's too late
She made a big mistake
It wouldn't be the first one anyway
Tell me how many more? No no noNo I don't wanna know what she said
No I don't wanna know what she said
She can cry all she wants
She's not gonna bring me back, no noI don't wanna know what she said
No I don't wanna know what she said
She can try all she wants
It's not gonna get me back, no no, oh ohIt's over
Oh oh it's all over
And it's been a long time coming
Some say it's too long, oh ohThey warned me
Oh yes they all warned me
They told me, "Now don't lose your head to her
She'll never give it back", no no, no noI don't wanna know what she said
No I don't wanna know what she said
She can cry all she wants
She's not gonna get me back, no noI don't wanna know what she said
No I don't wanna know what she said
She can try all she wants
It's not gonna bring me back, no, no no no
