

# Break the Rules

Charli XCX

Electric lights  
Blow my mind  
But I feel alright And never stop, it's how we ride  
Comin' up until we die You catch my eye  
If you wanna fly  
I'm so alive Never stop, it's how we ride  
Comin' up until we die I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules I'm such a star  
Queen boulevard  
Blaze through the dark And never stop, it's how we ride  
Comin' up until we die I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules Get my guitar  
Sunglasses on  
So light it up And never stop, it's how we ride  
Comin' up until we die I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked

I don't wanna go to school  
I just wanna break the rulesNa-na na na
