

# Master of Fists

## High on Fire

Anger flow, warrior call  
Focused eyes see through them all  
Teacher now was a renown  
Jeet Kune Do avenging oneStreamline form flying kicks  
Warriors fall from powered hits  
Mesmerized, speed and fury  
Numchuckas crush skulls with their flurrySnap of the dragon cracks like a whip  
You cannot defy the Master of Fists  
Bender of will, defender of bliss  
Enters the dragon, the Master of FistsSnap of the dragon cracks like a whip  
You cannot defy the Master of Fists
