Come Running

Van Morrison

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low
And all the night's magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have one a' more moondance with you, my love
Can I just make some more romance with a-you, my love
Well, I wanna make love to you tonight
I can't wait 'til the morning has come
And I know that the time is just right
And straight into my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true, dear
There and then I will make you my own
And every time I touch you, you just tremble inside
And I know how much you want me that you can't hide
Can I just have one a' more moondance with you, my love
Can I just make some more romance with a-you, my love
Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
One more moondance with you in the moonlight on a magic night
La, la, la, la in the moonlight on a magic night
Can't I just have one more dance with you my love
