

A Hole In the Wall

KMFDM

Advisory - the following lyrics contain explicit language:

When I have to die I want to strangle myself in your black hair
When I have to die I want to suffocate between your sweet breasts When I have to die I want to be blinded by
your brown eyes
When I have to die I want to cut my veins on your lips I have not yet ruled enough
My hands in chains
The break, the hole in the wall When I have to die I want to starve in your lap
When I have to die I want to burn in your bed When I have to die I want to drown in your heat
When I have to die I want to be poisoned by your blood When I have to die I want to melt away from your kiss
And then when I'm dead, bury me close to your heart
