In Cold Blood (Album Version (Explicit))

Rick Ross

Run with me or run from me
Pussies don't get pussyYeahI murdered all of my foes contract killing
Twenty k will get ya grandmamy pinned to the ceiling
Midst of the war I piss on graves
Kids get graced by my piss poor waves
Never could imagine it living with perellis
Should of check ya rear view made a better resonance
Wack yayo caught him slipping while he snort dust
Cold blood bullet hit him like a tour bus
Check the time on my bevardo my jazzy bitch in milano
With niggas pay me the model
Sway Louis on my feet still running the street
And I never missed a heartbeatFamily over the money
Money over the bitches
Money don't mean nothing
And why they calling it riches
Im addicted to watches
Mama telling me stop it
Got 1 over 50
50 you better watchingDo him in cold blood
Look him in his eyes may do him with no gloves
Beat the case like orinfa
Above the law its so hard to pin the big dog
Live on so I still bark
In my earliest advance I'ma kill ya
Make a lil' cake haters wanna envy
God wanna see you niggas in a BentleyFamily over the money
Money over the bitches
Money don't mean nothing
And why they calling it riches
I'm addicted to watches
Mama telling me stop it
Got 1 over 50
And keep 50 in my pocketLimousines for the don I'ma three as the charme
Flee red carpet chilling e on my arm
Purple rain smoking haze smoking weed call it purple brain
I'm in the purple label daddy got a purple heart
Not in the service but I'm swerving in a purple car
Whats the bitch needed all changed

I go and buy a new one cause I'm sport manFamily over the money
Money over the bitches
Money don't mean nothing
And why they calling it riches
I'm addicted to watches
Mama telling me stop it
