

Valley of Kings

Yngwie Malmsteen

Now we're on a journey
Into darker times
See the man made mountains
Built for those divine
Walk into the twilight
In the land of the dead Gods walked the earth
City of a thousand gates
They were kings from birth
That was their given fate In the valley of kings
Where the echoes still ring
On the hot desert winds
In the valley of kings Their souls are immortal
Within the after life
They're soaring through the portal
To be eternal light
Ruling without mercy
Reigning life on earth Gods walked the earth
City of a thousand gates
They were kings from birth
That was their given fate In the valley of kings
Where the echoes still ring
On the hot desert winds
In the valley of kings Gods walked the earth
City of a thousand gates
They were kings from birth
That was their given fate In the valley of kings
Where the echoes still ring
On the hot desert winds
In the valley of kings
